

# **Rider Alert #9**

## **SERVICE CHANGES EFFECTIVE**

### **APRIL 27, 2020**

Grant Transit Authority continues to respond to the developing COVID-19 pandemic. Our buses are already operating at a slightly reduced level. Effective Monday, April 27, the agency will implement a second layer of service reductions in an effort to protect the health of our community, riders and front-line employees. This will affect ALL Fixed Route Services.

Temporary route reduction schedules are available on our website at [www.granttransit.com](http://www.granttransit.com).

We care about your health as well as your transportation needs. Thank you for partnering with us to help prevent the spread of illness. Important Bus Service Information:

- 1. Essential trips only:** In compliance with Governor Inslee's "Stay Home, Stay Healthy" order, we ask riders to limit travel to essential trips only.
- 2. Wear a mask or face covering:** GTA is requesting all passengers wear a mask or face covering when riding the buses to protect yourself, our drivers, and other passengers.
- 3. Fare Free Service:** Grant Transit Authority Fixed Route and ACCESS services are temporarily fare free to allow social distancing and quicker boarding.
