

Rider Alert #11

GCHD REQUIRES FACE MASKS **EFFECTIVE IMMEDIATELY**

Grant Transit Authority continues to respond to the developing COVID-19 pandemic. On Wednesday, May 27, 2020, the Grant County Health District issued a directive requiring a face covering be worn when in public and social distancing cannot be guaranteed. This includes riding public transportation vehicles.

We care about your health as well as your transportation needs. Thank you for partnering with us to help prevent the spread of illness. GTA is requiring all passengers wear a mask or face covering when riding the buses or at bus stop locations to protect yourself, our drivers, and other passengers. If you need a mask, please speak to a GTA driver. We are doing our best to assist those passengers in need of a mask to adhere to this mandate.

For all scheduling questions and comments please feel free to call the Grant Transit Authority at 765-0898, or visit www.grantransit.com or our Facebook page.
