

Rider Alert #2

Social Distancing on Buses

GTA continues to offer decreased seating on buses to comply with the social distancing regulations. There are designated seats in each bus to sit in. If a particular route has more passengers than seating allows, drivers will board passengers prioritized by those needing to perform essential business. Those with non-essential and lesser priority needs will be required to wait for the next bus. Remember, masks are REQUIRED. We ask that you board the bus quickly and move to a designated seat. In buses that have rear entry doors, please board using the rear entrance.

Please remember if you are sick, avoid using public transit. Stay Home, Stay Safe!

Thank you for your understanding and cooperation to keep our drivers and passengers safe.
